FROM  
THE  
PASTOR

**"On Easter Day the veil  
between time and eternity  
thins to gossamer."**

Douglas Horton

Jelly beans always have been a bit of a mystery to me. An Easter Bunny delivers eggs, and inside the eggs are beans. You have to laugh at the whole idea. However, it reminds us that not all mysteries are solemn or need a serious furrowed brow to ponder.

Some of the best mysteries are filled with unlimited and unbridled joy. And Easter is the premier mystery of Christianity. It seems only natural that we celebrate Easter with things filled with joy that stretch our usual ways of understanding.

When we think about God coming to us, and Jesus forging a path to eternity for us, it can be hard to understand, like an engineer wants to understand its mechanics. Yet,

accepting this proof of steadfast love from our Creator is a simple act of saying "yes" to this amazing act of divine love. We only need to welcome it in all its generosity.

**"Easter is not a time for groping through dusty, musty tomes or tombs to disprove spontaneous generation or even to prove life eternal. It is a day to fan the ashes of dead hope, a day to banish doubts and seek the slopes where the sun is rising, to revel in the faith which transports us out of ourselves and the dead past into the vast and inviting unknown."**

-Author unknown

**Happy, Happy Easter!**

## Greetings from Your Diaconate

The month of April is one of hope. Although we are still 'buried' in snow, we in New England are always aware that April brings longer days, warming days, and perhaps a glimpse of a tiny bit of purple, yellow, and green in the sheltered areas of our yards.

Your church is looking forward to all that spring has to offer. We have so many activities planned, and do hope that you can take some, or all, of them in!

Easter will be approaching and our glorious services are something to look forward to.

I am so happy to have been elected as Chair of the Diaconate again and will do my best. Our team consists of Kristen Arsenault, Alecia Balduf, Emily Knapp and Janice Murphy. This team has many responsibilities and talents. Please feel free to be in touch with any one of them if you have a concern, a joy, a sadness, or any new ideas. We are here for you!

Although this is sometimes considered "An Irish Blessing" and St. Patrick's Day has passed, I think it has such lovely sentiments:

"May you always have work for your hands to do.

May your pockets hold always a coin or two.

May the sun shine bright on your windowpane.

May the rainbow be certain to follow the rain.

May the hand of a friend always be near you.

And may God fill your heart with gladness to cheer you."

Gladie Kneeland, Chair

## **Easter Egg Hunt**

### **Come One, Come All!!**

Christian Education would like to invite any and all children in the Georgetown Community to join us Easter Sunday for an Easter Egg Hunt on the front lawn of the church immediately following worship. Here is how it works! We ask any members/friends of the congregation to bring a dozen or so filled eggs to Easter Sunday Worship. Drop them off in the Fellowship Hall prior to worship. All eggs are counted at that time and then "hidden" by our youth helpers.

At the end of worship all children who would like to find the eggs are asked to congregate in the Fellowship Hall. After a count of all the children participating has been completed. A total number of eggs the child can gather is given. Youngest children are allowed to gather eggs first. Happy Hunting!

As spring begins, we are entering our last four months of the church year. I wanted to share some of upcoming events so you can add them to your calendars. More information to follow, but here are some key dates.

April 9th	Heifer Candy Sale
April 16	Easter Sunrise Service Breakfast
May 6-7th	30 Hour Famine (more information to follow)
May 21st	Paint Ball (tentative)

### **Our Giving Tree is Blooming**

Our Giving Tree will begin to bloom in April and will be found in the Narthex. The tree is adorned with envelopes which represent church expenses. This is an opportunity for church members and friends to give an additional one-time donation to help defray the operating costs of the First Congregational Church of Georgetown. Please consider taking an envelope if you are able to help. Simply enclose the designated dollar amount in the envelope and mail or drop it in the collection plate.

Thank you for your continued support!

## Outreach News

Our Church's Youth Group and their leaders held another wonderful **SUPER SUB FUNDRAISER** for Super Bowl Sunday! We hope you didn't miss out on their delicious celebratory creations! The proceeds of \$570 is being split three-ways: grocery gift cards for discretionary Church Office decisions; helping a feline rescue shelter, and the general Youth Group account for their activities. Congratulations to everyone taking part in making this a fun and worthwhile event.

**PENNY BOWL** pennies, silver and dollar bills add up! Many thanks for emptying your pockets during our Coffee Social Hours. The Women's Guild recently purchased 1,160 diapers for the **COMMUNITY GIVING TREE** due to your generosity. Diapers are always in high demand at the Giving Tree where social workers, representing the needy families of the Merrimack Valley come for babies' and children's supplies.

**We'll be reporting on the ONE GREAT HOUR OF SHARING** in next month's Newsletter. In the meantime, should you have missed out on this Special United Church of Christ Offering held on March 26th, it is not too late for you to send in a donation, marked "*One Great Hour of Sharing*". The focus of this offering, held in churches across our nation, is the plight of 65 million world-wide refugees.

The Church School children and the Christian Development Team will be sponsoring their **ANNUAL HEIFER PROJECT INTERNATIONAL CANDY & CRAFT SALE** on **SUNDAY, APRIL 9th**. Coming into the Sweet Season on Palm Sunday, is there a better way to celebrate than to make, or purchase, Easter sweets for your family or friends? Our congregation has been supporting Heifer Project for 46 years. Our efforts helped in the assistance of more than three and a half million families in 2016 alone! **Please see details below**

## Star Island Scholarships Available

Since 1915, Star Island, off New Hampshire's coastline, has been known as a unique place to renew spiritually, explore matters of consequence and gain knowledge about the world as it might be. Founded on the tradition and values of Unitarian Universalism and the United Church of Christ, Star Island strives to contribute to our world by providing a sacred and meaningful space for a vibrant intergenerational community.

A week on Star Island is like going to summer camp for all ages and faiths. No matter your spiritual persuasion, all are welcome on Star Island. Our cherished summer conferences have enriched the lives of generations and deepened the faith of many, and this year's offerings are no exception .

Christian Development encourages church members to consider attending a retreat this year as scholarships are available to children and adults. Please contact a CD board member or Rev. Lorraine for more information. You may consider going to Star Island or any other religious retreat center.

Each month we have a group of people who meet to talk about books selected by members. Meetings are held in different houses or at the church. If you are interested in attending a meeting, contact the Church Office or any of the people listed below to get directions to that month's meeting.

All are welcome and you do not have to RSVP to attend. Below is a list of the books they will be discussing in the coming months in case you want to get the book ahead of time or you might just be looking for a good read.

Come join the choir for Easter. You don't have to read music, though we will still allow you to sing if you can. Two rehearsals are April 4 and 12. You don't have to be at every rehearsal, just attend as many as you are able. Make a joyful noise unto the Lord!! (Full money back guarantee!) Any questions speak to Bob or Emily Knapp.

We are also hoping to have some extra players (4 or 5) to play the hand chimes with the bells on Easter Sunday, (Especially some of our youth musicians!). For this part you don't have to read music, though it would be helpful. If you'd like to give it a try speak to Bob Knapp, our Music Director.
