Dear Church,

Happy Easter! Even weeks after we celebrated Resurrection Sunday, I can still say this. We are in the time of Easter, according to the church calendar, so, again, *Happy Easter!* 

As a faith community with Christ as our head, or Guiding light, we are "Post-Easter" People, Resurrection people. Jesus walked the world showing us how to live and love; and Christ remains, lives on in us giving us the strength and vision to tell the story, and live our lives as Jesus taught.

Post-Easter, life *after* the Resurrection -- not only on Easter Sunday (which was lovely by the way). A quick but important "Thank you" to the Diaconate, the church set-up team, the flower team! What a joyful place we had to celebrate the Resurrection. And thank you to the Camp Leslie fireside/ sunrise service team, and to Easter morning breakfast team. What a nice set of gatherings to mark this day of renewal and rebirth for our faith community. Well done, teams!

Did you make it to church on Easter Day? If not, come next week, come every week or once in a while, when you can, when you need a boost, when you need to be with curious people striving to learn and live as God's beloved in community. And, if you can't get to church, either in person or via ZOOM for whatever reason, and need a boost, call and let's arrange a visit.

Post-Easter - the emphasis on a God, a Love-So-Strong, that it overcomes death experience. Post-Easter, Love trumps hate; Love conquers death. God's surprise. God wins, even in times of darkness. Love wins - perhaps not in your timeline or mine, but in God's timeline.

All of us are invited to live into the Resurrected life which is a life energized by the God who is always present, even in times when it doesn't feel like it. Maybe especially those time. Jesus came down as God's beloved One; he walked and wandered the world, he spoke to those in pain, he felt their pain, he healed the lame, he cured the sick, he restored life to those who felt life-less, he celebrated with those who were rejoicing.

In faith, Jesus faced the ups and down, as one of us. So, God knows our pain, and God walks with us. In Christ, we are never alone in pain, in sorrow or in death. Just as we are never alone in

joy. God has felt and seen it all, and this Love is right there always, alongside you and even within you.

We might not always know what it means, but we can live into faith that God is with us through all of our trials, all of our quandaries, all of our good times too!

Let us continue to live as Post-Easter people, and like Mary Magdalene, the first at the tomb, the first to be named by the Resurrected Christ, the first to share the Good News that Love wins.

I wish you the peace of the ever-resurrected Christ,

Rev. Holly

### **Diaconate News**

MAY 2022 Greetings from your Diaconate:

Spring has been beckoning us with her soft breezes and her colors peeking out from the winter browns and grays of the soil. We feel a sudden joy when walking outside either to our car or on a longer walk to shake the cold from our heads. We feel this joy as we see a green sprout, promising a happy yellow daffodil, or the rich and heady fragrance of the beloved hyacinth. This my friends is our call from God that hope abounds and the seasons ahead will warm us inside and out!

The description above could also be used to describe our Easter. That same hope and warmth stays with us, as we were able to share our traditional Easter service, with all its glory in person. How fortunate we are to have such musical talent to soothe our souls and excite our ears! Emily, Bob and all those who share their God given talent with us...thank you!!

A very special thank you to everyone who made this Easter Holy Week so special. To start let's open our hearts with thankfulness for our very own Pastor Holly. Her care, her messages and her ever present positive outlook have reached each and every one of us. Thank you to all the readers on Sundays, Maundy Thursday, and Easter. Your voices spoke so clearly of our beliefs. .

A special thank you that we were able to gather, once again, as we enjoy the tradition of beginning the joyous Easter morning at Camp Leslie. There is something so moving about that sunrise service that stays tucked in our hearts all year. To commune with nature and all her beauty...how blessed we are!

Rich Brock, our moderator, together with our wonderful team of deacons (Antoinette, Emily, Pam, and Sharon) are certainly worthy of mention. Their boundless energy and their many ideas are so important in the 'life of our church".

To Jaime Krenn for her help obtaining and making sure our palms were available for everyone, To Emily for ordering the Easter Lilies that graced our sanctuary, To Kim for the glistening rooms, to Jessica our church manager for all the many ways you keep us organized in such a busy month. To all who donated to the Easter Memorial Flowers and those who delivered them, a giant thank you.

As always our Community of God is precious. Our church family boosts us up when our world is overwhelming, when we feel hurt or lost, or on the flip side, our church family always shares our joys and happiness so much that our hearts swell!

Happy Spring! Gladie Kneeland, Chair
